**National Days:** Today is National Bike To School Day, National Sun Day and National Space Day.

**Fundraiser:** Whiting kicked off an online fundraiser this morning. Our biggest goal is to purchase a HudlTV package to stream all of our activities in the gym and baseball/softball fields. If you would like to support Whiting Warriors Athletics & Activities, please click the link below. Students in grades 7-12 were sent home with some information as well, and you can make a donation through them. You can also copy the link and send it out to your contacts. <https://www.raise-365.com/digital/2509004/15899>. Thank you and go Warriors!

**Last Week:** What looked like it was going to be a gloomy day for a track meet last Tuesday actually turned into a great day! The wind calmed down and the sun came out. Cole Bethune hit an 18 foot personal best throw in the Discus to take 2nd place! Aliah Fredricksen took 5th place and medaled in the Long Jump. Every athlete came away with a season's or personal best in at least one event! Then the Warrior Track & Field team traveled to the Nebraska Frontier Conference meet last Friday. Caleb Glynn took runner-up in the Discus & medaled in the Shot Put! Cole Bethune took 4th place in the Discus. The girls 4x100 consisting of Olivia Coulter, Hannah Allen, Nadia & Aliah Fredricksen ran their fastest relay of the season, but fell just short of medaling. Lots of improvements as we draw near the end of the season.

**Last Week:** Preschoolers had a great day exploring the LaunchPAD Children's Museum last week. Also remember that they will be having their preschool graduation on Wednesday, May 22nd at 12:30. Everything will be in the preschool classroom. The kids will sing a couple songs and get a graduation certificate. Then they'll have a celebration potluck! We invite you to bring something to share with all our preschool families! After eating, students are free to leave with their families. There will be NO PRESCHOOL on Thursday, May 23rd. Feel free to invite extended family members to join you! We're so excited to celebrate a successful school year!

**Last Week:** A huge thank you to the Monona County Sheriff's Department for their presentation to Whiting elementary today. They met Sheriff Ewing and Deputy Keenan, the new K-9 unit made up of Deputy Boyle and Trigger, and Deputy Tank, who gave a demonstration as the county drone pilot.
