**Last Week:** Preschool continued their tree study with a discussion about food that comes from trees. Then, they got to practice our literacy, math, and science skills by making our own applesauce! So yummy!

**Last Week:** Whiting Elementary and preschool has been invaded by robots. They all took part in a STEM activity! Members of the AEA brought in BeeBots that we used to learn some basic coding and computer science skills! Thank you AEA for helping us learn some basic coding for computer science.

**Last Week:** Thank you to everyone that participated in the Whiting Veterans' Day program at school. A special thanks to Bob Haack for organizing the event.
